GENERAL NEWS

NEW

• Australian Building Codes Board – Various Consultations

- **National Construction Code 2025 – Public Comment Draft.** The ABCB has released the proposed changes to the next edition of the NCC. **Comments close Monday 1 July 2024.** Further details can be found at [National Construction Code 2025 Public Comment Draft - Australian Building Codes Board - Citizen Space \(abcb.gov.au\)](#)
- **Consultation Impact Analysis: Adequacy of Female Public Sanitary Facilities.** The ABCB has received multiple proposals for change expressing concern about the adequacy of NCC provisions for female Sanitary facilities. Consequently, the ABCB is proposing deemed-to-satisfy provisions for the next edition of the NCC, which will increase the number of closet pans for female patrons in Class 9b buildings – single auditorium theatres and cinemas. **Comments close Monday 1 July 2024.** Further details can be found at [Consultation Impact Analysis: Adequacy of Female Public Sanitary Facilities - Australian Building Codes Board - Citizen Space \(abcb.gov.au\)](#)
- **Consultation Regulation Impact Statement: Commercial Energy Efficiency Provisions.** The ABCB has been undertaking work to scope potential energy efficiency changes for commercial buildings in the next edition of the NCC. The proposed provisions are included in the NCC public comment draft. An in-depth analysis of the impacts (costs and benefits) of the proposed provisions is now open for public comment. **Comments close 11:59pm Monday 1 July 2024.** Further details can be found at [Consultation Regulation Impact Statement: Commercial energy efficiency provisions - Australian Building Codes Board - Citizen Space \(abcb.gov.au\)](#)
- **Consultation Impact Analysis: Condensation Mitigation Measures.** The ABCB has been undertaking further work on provisions to mitigate condensation risks. The proposed technical changes are in Part F8 (Volume One) and Part 10.8 (ABCB Housing Provisions) of the NCC public comment draft. These changes impact residential and residential-like buildings (Class 1, 2, 3, 4 and 9c buildings). The proposed changes include cavity-dependent vapour permeance requirements for external walls and expanded roof ventilation requirements to better align with practical design and construction practices in Australia. **Comments close 11:59pm Monday 1 July 2024.** Further details can be found at [Consultation Impact Analysis: Condensation mitigation measures - Australian Building Codes Board - Citizen Space \(abcb.gov.au\)](#)
- **Consultation Regulation Impact Statement: Waterproofing and Water Shedding Provisions.** About the consultation research has indicated that serious defects related to waterproofing are the most common defects in buildings compared to other areas, such as fire safety, building enclosures, structural integrity and key services. A lack of Deemed-to-Satisfy provisions is considered to have contributed to problems, including poor design and documentation, a hit-and-miss approach to performance solutions and sub-standard construction outcomes. In turn, these problems are contributing to waterproofing defects. **Comments close 11:59pm Monday 1 July 2024.** Further details can be found at [Consultation Regulation Impact Statement: Waterproofing and water shedding provisions - Australian Building Codes Board - Citizen Space \(abcb.gov.au\)](#)
- **All-gender Sanitary Facilities.** The ABCB has released a consultation on the potential inclusion of all-gender sanitary facility provisions in the National Construction Code. Suggested changes are a voluntary deemed-to-satisfy pathway in Section F, F4 Sanitary and Other Facilities and replacing and consistently using 'gender' instead of 'sex' and 'accessible' instead of 'unisex' throughout the NCC. **Comments close 11:59pm Monday 1 July 2024.** Further details can be found at [All-gender sanitary facilities - Australian Building Codes Board - Citizen Space \(abcb.gov.au\)](#)

- **Minor Amendment to Territory Plan MA2024-h – Changes to the Belconnen District Policy.** The proposed amendments include reducing the area of the landfill clearance zone; and the Lower Molonglo water quality control centre clearance zone. **Comments close COB Friday 7 June 2024.** Further details can be found at [Minor amendment MA2024-h \(act.gov.au\)](#)

CONTINUING

- **Review of Off-the-plan Property Contract Laws.** The ACT Government is reviewing whether current off-the-plan contract laws are effective for property buyers and sellers. **Comments close Monday 20 May 2024.** Further details can be found at [Review of off-the-plan property contract laws | YourSay ACT](#)
- **North Curtin Residential Area.** The ACT Government has commenced early planning for a new residential development at North Curtin. The Woden District Strategy identifies the site as a Change Area Category 2 (between 0-10 years) for urban intensification. This new neighbourhood will be located between Yarralumla and Curtin, alongside the future light rail to Woden. **Community Workshops** will be held **Tuesday 14 May 2024** (5:30-7:30pm, Hughes Community Centre) and **Tuesday 4 June 2024** (5:30-7:30pm Hughes Community Centre). **Comments close Tuesday 11 June 2024.** Further details can be found at [North Curtin Residential Area | YourSay ACT](#)

- **Amendment Seniors Housing – Queanbeyan-Palerang Regional Environmental Plan 2022.** QPRC have prepared a planning proposal known as QPR-LEP2022 Amendment – Seniors Housing, Majara Street, Bungendore (Abbeyfield housing proposal). The intended outcome of the proposal is to contribute to the supply of land for seniors housing in Bungendore; identify a replacement site for the seniors housing that is permissible on 4-6 Majara Street Bungendore (Lots 13 & 14 DP1139067) and which has been compulsorily acquired by NSW Dept of Education; Enable land at Majara Street, Bungendore and north of Turallo Terrace to be used for seniors housing with development consent. The planning proposal seeks to amend the QPR LEP2022 by amending schedule 1 additional permitted uses by deleting reference to “use of land at 4-6 Majara Street, Bungendore” from the heading of Item 3 and replacing with “Use of certain land at Bungendore”; deleting reference to “Lots 13 & 14 DP1139067, 4-6 Majara Street, Bungendore” in Item 3(1) and replace with “the land shown edged in heavy black at Majara Street, Bungendore, identified as Item 9 on the additional permitted uses map”; and amend the additional permitted uses map to include land at Majara Street, Bungendore. **Comments due COB Monday 10 June 2024.** Further details can be found at [Amendment Seniors Housing - Queanbeyan-Palerang Regional Environmental Plan 2022 | Your Voice QPRC \(nsw.gov.au\)](#)
